# About Us.

## Introduction

Jaysons International Consultancy LTD is a Nairobi-based education consultancy firm established in 2024 to support students pursuing study opportunities abroad. We provide comprehensive guidance in education and immigration services, including career counselling, university admissions, and enrolment support, ensuring a smooth and stress-free process for international students.

Our team comprises qualified professionals with expertise in career counselling, marketing, data management, and admissions. We are actively building strategic partnerships with reputable global institutions to offer students quality, affordable, and credible study options.

# Mission & Vision.

## MISSION

Jaysons International Consultancy is committed to helping students achieve their educational goals by providing comprehensive and personalized support throughout the study abroad process. We believe that studying abroad is a life-changing experience that can open up new opportunities and perspectives, and we are passionate about helping students make the most of their time abroad.

## VISION

We envision a world where all students have the opportunity to study abroad and experience the benefits of a global education. We believe that studying abroad can help students develop the skills and knowledge they need to succeed in today's global economy. We also believe that studying abroad can help students become more tolerant and understanding of other cultures, which is essential for building a more peaceful and just world.

## VALUES

Our core values include:

- **Excellence:** We have a team of experienced and knowledgeable advisors
- **Integrity:** We are honest and trustworthy
- **Respect:** We treat our students with respect and dignity
- **Collaboration:** We work together with our students, their families
- **Innovation:** We are always looking for new and innovative ways to help our students succeed.

# ACADEMIC COUNSELLING

Jaysons International Consultancy is committed to empowering students to make informed academic and career decisions. Through personalized guidance, tailored resources, and continuous support, we help students unlock their potential and achieve their career goals.

We offer customized academic and career counselling services that support students in aligning their education choices with their long-term aspirations.

- We conduct comprehensive assessments to help students gain insights into their interests, strengths, and skills.
- We guide students in exploring different career options and provide information on the academic pathways required to pursue those careers.
- We assist students in developing personalized academic plans that align with their career goals.
- We provide guidance on selecting suitable degree programs based on students' career interests and goals.
- We may offer ongoing support to students even after they complete their studies abroad

# Health Cover Assistance

Jaysons International Consultancy also assists students in obtaining appropriate health insurance coverage. We understand that health cover is essential when studying abroad, as it ensures access to quality healthcare and financial protection in case of medical emergencies.

We work with trusted insurance providers to help students secure suitable and compliant health insurance options for their destination countries.

- We recognize the significance of health insurance for students studying abroad and offer personalized assistance in acquiring suitable coverage. Our dedicated team of advisors, in collaboration with reputable insurance providers, strives to provide students with comprehensive health insurance options that align with their needs, ensuring a secure and rewarding educational journey.
- We help students navigate through the complexities of insurance terminology, policy requirements, and documentation, making the process as smooth and hassle-free as possible.

# Flight Booking Assistance

Jaysons International Consultancy simplifies the travel process for students by offering reliable flight booking assistance. We work closely with reputable travel agencies and airlines to secure the best travel options, allowing students to focus on their education without the stress of travel planning

## **Our Flight booking assistance services include:**

- The agency helps students find suitable flights based on their travel dates, destinations, and budgetary considerations.
- The agency aims to find the most cost-effective flights for students by comparing prices and exploring different booking options.
- Once suitable flights are identified, Jaysons International Consultancy assists students in making flight reservations.

The agency provides guidance on the necessary travel documentation, such as passports, visas, and any additional requirements specific to the destination country.

## a) Work visa

We support clients seeking overseas employment by offering expert guidance throughout the work visa application journey. Our services are designed to remove confusion, reduce errors, and improve the chances of approval by helping applicants understand immigration procedures and meet all official requirements.

Our work visa support includes:

- Document Review & Guidance: Helping clients prepare and organize the correct documents for submission.
- Application Assistance: Ensuring all forms are completed correctly to avoid delays or rejection.
- Interview Coaching: Preparing clients with practical tips and confidence for embassy or consulate interviews.
- Process Updates: Providing timely information on policy changes, procedures, and application progress.

# Visa Assistance

## (b) Student /study visa

### **Our visa assistance includes:**

- Documentation Guidance: We provide students with detailed information regarding the required documentation for the visa application process.
- Application Support: We assist students in completing the visa application forms accurately and thoroughly.
- Visa Interview Preparation: In cases where a visa interview is required, we offer guidance on preparing for the interview.
- Timely updates: We keep students informed about any changes or updates in the visa application process or requirements.
- Post-Visa Support: Once the visa is granted, we assist students with post-visa requirements, such as travel arrangements, accommodation, and other logistical aspects to ensure a smooth transition to their study destination.

# University Selection and Application

Jaysons International Consultancy supports students in choosing the right universities and successfully applying for study abroad programs. We provide academic counselling, university recommendations, application support, and guidance on scholarships and financial aid to improve students' chances of admission

- Considering students educational background, interests, career aspirations, and other relevant factors. we help students identify universities that offer programs aligned with their academic and career goals
- We assist students in understanding the admission requirements of various universities and study programs. We provide guidance on the necessary academic qualifications, standardized tests, essays, recommendation letters, and any other application components specific to each university.
- We offer thorough reviews of students' application materials, including their personal statements, resumes, recommendation letters, and other supporting documents.
- We guide students through the application submission process, ensuring that all required documents and forms are completed accurately and submitted within the specified deadlines.
- We provide interview preparation guidance.

# PARTNERSHIP

At Jaysons International Consultancy, we are proud to collaborate with reputable universities, institutions, service providers, and work visa agencies across the globe. These strategic partnerships enable us to offer students and clients credible, high-quality, and affordable study and work opportunities. Through our trusted network of partners, we ensure reliable guidance, recognized academic and career pathways, and improved chances of successful admission, visa approval, and long-term career growth.
